**COMMON SENSE RULES FOR FUN & SAFETY:** All players under 18 years of age must have a Parent/Guardian signature waiver on file and must wear full face protection covering eyes and mouth. Full seal, ANSI Z87.1 rated, goggles, airsoft mesh goggles and mesh face covering, or paintball masks are allowed. Eye protection must STAY ON AT ALL TIMES ON THE FIELD. Players caught taking their eye protection off while on the playing field will be immediately required to leave the game.

If you Hear "BLINDMAN" being called on the field, repeat the call, and immediately stop your game play. Remove the magazine, disconnect air, holster, or place your weapon on the ground and wait patiently for referees to resume the game when it is safe for all players to continue.

All guns must be in "safe mode", with empty chambers, the magazines removed, or air disconnected, be holstered, and have the gun safety in safe position. While in safe zones, shooting guns off field is only allowed in the designated "Firing range" to confirm and set chronograph limits or adjust guns after maintenance or in between games. Shooting on the field is only allowable after the signal starting the game and during game play. Once the game is over, all guns must be returned to "safe mode" while all players leave the field to prepare for the next game.

**CALL YOUR HITS!** Airsoft is an honor-based sport, cheating ruins everyone's fun and IS NOT tolerated. If you suspect a player is cheating, call for a referee. Be ready to give them a good description of the offending player and suspected actions. Do not intentionally block or provide cover for teammates after being hit or talk about other player positions. All players are permitted three steps to get out of the line of fire when medics are in play. Otherwise call Hit, raise your "Hit Flag", say "Dead Man Walking" and find a safe route back to respawn. These "hits" include sound and spring Grenades, set off within a 20ft kill radius.

Do not blind fire. You must be able to look down the sights of your gun to shoot. Full auto is only allowed outside the 50ft safety perimeter of all buildings and structures. Maximum velocity at GOLD HILL AIRSOFT LLP allowed for .20bbs & .25bbs is 400fps and 500fps for snipers. Minimum engagement distance for snipers is 100ft.

Climbing on buildings, trees, or anything else unless clearly marked in GREEN as a "player vantage point" is strictly prohibited.

It is your own responsibility to call your hits. If you think you hit another player and they do not call the hit, communicate politely. If you begin shouting or using abrasive language you are immediately in the wrong and must call yourself out. Likewise, if a player informs you that you are hit, even if you did not feel anything, call the hit. This is a GAME of Integrity, Honor and Respect. Any direct hit including friendly fire or team kills to any part of the body/gear counts. Ricochets DO NOT count. Gun hits do not count, unless it would go through the gun and hit the player... guns are not hard cover! After being hit, raise your hand/gun and yell "HIT!" Raise your "Hit Flag" and proceed to the respawn, announcing "Dead Man Walking" or call for a medic depending on the rules of the game.

Melee weapons (swords, knives, axes, light sabers, etc.) constructed of soft rubber/plastic/foam are permitted. No stabbing, thrusting, slashing, or chopping. Throwing of melee weapons is NOT permitted. Any melee weapon "hit" counts as a kill.

Safety kill is an option when sneak up within 10 feet or less and you have at least 80% visibility of the other player. To "Safety Kill" you must audibly say "Safety kill" while pointing your gun the entire time directly at the enemy player. If you and another player have a disagreement as to the validity of the "safety kill", you are both considered hit and must act accordingly.

Referee Decisions are Final! Right or wrong, the referee's call is final. His/her responsibility is to oversee the general conduct and safety of the game. All players must adhere to the rules and smooth flow of game action unhampered by time-wasting arguments. Officially assigned referees will be wearing Yellow Reflective Safety vests, anybody else making field calls without the proper marking will be considered a casual observer which may be given due consideration at the discretion of the referee(s) present. Any form of physical altercation including arguments or verbal abuse towards referees or other players will not be tolerated. Be smart, involve a Ref if anyone is screaming or yelling, then move on, so as not to escalate the situation.

Foul Language will not be tolerated. GOLD HILL AIRSOFT LLP is a safe, friendly, family environment. Rude or inappropriate language or behavior is NEVER permitted or encouraged. All players must show respect for other players, referees, and GOLD HILL AIRSOFT LLP representatives. Always observe Gun Safety & Proper Conduct on and off the field. Alcohol and Drugs (including Marijuana) are NOT permitted on the field or in the parking lot or staging areas. If a player is presumed to be "under the influence" they will be asked to leave GOLD HILL AIRSOFT LLP premises for the remainder of the day without any refund, which could also result in a permanent ban from any future GOLD HILL AIRSOFT LLP events. Theft of any kind WILL result in a permanent ban from GOLD HILL AIRSOFT LLP events.
